## MORE INFORMATION

### **Handy bedroom storage drawer/s**

Keep the bedroom clutter free and looking tidy with this bed's added storage drawers. Organise your clutter, store your shoes or blankets, or keep your treasures safe and sound. Whatever you choose to use them for, you'll sleep easy knowing everything is in its place.

### **Center support rail**

This bed is fitted with a center support rail which not only adds a world of difference to your comfort, but also helps prevent damage to your bed and mattress. Without a center support rail you risk your bed sagging in the middle over time which warps both your mattress and your bed's slats. No thank you!

### **Plantation grown acacia timber**

Acacia timber has been used for millions of years due to its beautiful finish, strength, resistance to wear-and-tear, and ease to care for. Plus, by choosing a product with plantation grown timber, you are supporting sustainable plantation harvesting, a process that yields high quality timber without harming the earth - good on you!

### **Full extension roller runners**

This design is fitted with metal roller runners to ensure that your drawers open smoothly, easily, and without issue - as all drawers should!

### **Sturdy metal handle/s**

We've affixed strong and sturdy metal handles to this design to keep it solid and secure as well as looking great.
