## MORE INFORMATION

### **Pick your colour**

Customise your furniture to suit your room, not the other way around. This design has multiple colours available so the choice is truly yours!

### **Perfect for guests**

Whether you're having family in from out of town or a weekend sleepover for the kids, this design is perfect for hosting overnight guests!

### **Folds out flat**

Instead of many sofa beds that pull out into a mattress, this design actually folds back into a flat padded surface for guests.

### **Linen weave fabric**

Linen weave fabric has the look and feel of light and breezy linen but has the strength and durability of a woven fabric. That's what we call a win/win.
